

## Release Note

These notes describe new and updated features in the WebEOC 8.6.0.2 release. More information is available through the [Support Center](#) or by contacting Juvare Support at [support@juvare.com](mailto:support@juvare.com).

## Resolved Issue

### Blank Screen in Input/Edit View

When opening an input/edit view in Azure hosted WebEOC 8.6 environments, a blank screen would sometimes appear. This issue has been resolved.
