

EMResource® 4.4.1 Release Notes

These notes describe highlights of the EMResource 4.4.1 release scheduled for Wednesday, August 31, 2022. More information is available through the help in your solution or by contacting the Juvare Support at 877-771-0911 or support@juvare.com.

Enhancements and Resolutions

- The performance of background jobs was improved, offering faster and more efficient processing of notifications, status changes, and bulk uploads.
- An issue that caused the creation of duplicate forms was resolved.
