

## EMTrack® 5.2.1 Release Notes

These notes describe enhancements introduced in the EMTrack 5.2.1 release scheduled for Wednesday, February 17, 2021. More information is available through your solution or by contacting the Juvare Support Center at 877-771-0911 or [support@juvare.com](mailto:support@juvare.com).

### Resolutions

Resolved a minor issue with time zones that affected entry of the patient's date of birth.
