EMTrack® 6.0.1 Release Notes

These notes describe enhancements in the EMTrack 6.0.1 release scheduled for Wednesday, August 10, 2022. More information is available through your solution or by contacting the Juvare Support Center at 877-771-0911 or support@juvare.com.

Resolution

An issue with our previous account management solution not syncing properly was resolved. Now, as expected, welcome emails are sent to new Juvare Login Services accounts only.
